No birds to be taken from staging without the Show Managers permission. Members are advised that the taking of photographs is allowed at the All Colour Show providing that they are for personal interest only, not for re-sale. Exhibits must be photographed once only, NOT "strobed", i.e. continuous flashing of a particular bird, as this may lead to the sudden death of the exhibit. All exhibitors and their guests are requested to comply with these instructions.

### **CATERING**

Open from 8am on the Saturday, and from 9am on the Sunday.

The Sales area will be closed during the AGM and trophy presentation but open otherwise throughout the show.

Birds on sale must be owner bred, should always have adequate water and seed and should not be overcrowded.

Birds that are for sale using a standard show cage must be one bird per cage, NOT pairs.

Birds appearing unwell must be withdrawn from the sales by the owner and isolated.

**Sales must be recorded on a transfer form in accordance with our Licence conditions, forms will be available from the show secretary.**

Under no circumstances shall sales birds or empty cages be taken into the Show area.

All bird sales MUST take place in the sales area within the show hall. NO bird sales are allowed to take place on the car park, this will be policed.
